

# Men's Night Out

September 22, 2017

**Guest Speaker: Josh McDowell, Josh McDowell Ministries**

## A Call to Arms – How Can A Man Be Pure?

Josh McDowell, as a young man, considered himself an agnostic. Josh discovered compelling, overwhelming evidence for the reliability of the Christian faith, trusted in Jesus Christ as Savior and Lord and his life changed dramatically. He got his degree from Wheaton College and then attended Talbot Theological Seminary, where he graduated Magna Cum Laude with an MDiv. He joined the staff of Campus Crusade for Christ International and shortly after he started the Josh McDowell Ministry to reach young people worldwide with the truth and love of Jesus. Since 1960, Josh has authored or co-authored 147 books in over 100 languages including, *More Than a Carpenter* with over 27 million copies in distribution. His book *New Evidence That Demands a Verdict* was named one of the twentieth century's top 40 books and one of the 13th most influential books of the last 50 years on Christian thought by World Magazine. In spite of all the honors and awards he has received, Josh will tell anyone that his greatest joys and pleasures come from his family. He and his wife, Dottie, have been married 45 years. They have four children and ten grandchildren.
